This information only includes the charges for course materials available through the CMO and/or materials available through the Harvard Coop.

Students may have had to purchase materials in jointly listed courses at other CMO's or at the Coop under a non-KSG course code.

This report is a record of what a student would have paid for course materials during the Fall 2004 semester if that student chose to purchase all course materials for a course.

This report is not a "price list" of what a student will pay for a particular course during the Fall 2005 semester,

but it may provide a student reasonable information with which to predict course costs.

CLASSROOM HANDOUTS

Classroom handouts are treated as "required" materials and are included in the "O. Req'd Total" column in addition to "H. Handouts".

LEGEND TO COLUMN HEADINGS

- A. Fall 2004 Course:** The column lists all of the courses that offered reading materials through the CMO and/or the Harvard Coop during the Fall 2004 semester.
- B. Section Letter:** Not all sections with the same course code share the same materials (e.g., STM101A compared to sections B, C and D)
- C. Instructor Name:** If the same instructor is teaching the same course for Fall 2005, it is possible that the cost of the materials will remain approximately the same.

COURSE MATERIALS OFFICE

- D. Req'd Packets:** The total cost of required reading packets (i.e., materials the instructor expects you to have read for the course).
- E. #:** The number of required course packets distributed.
- F. Opt'I Packets:** The total cost of non-required (the Harvard Coop uses the term "recommended").
- G. #:** The number of optional packets.
- H. Handouts.** The amount billed to students at the end of the semester for classroom handouts.
- I. Total Cost:** The total cost of both required and optional materials plus classroom handouts.

HARVARD COOP (The Harvard Cooperative Society)
