This information only includes the charges for course materials available through the CMO and/or materials available through the Harvard Coop.

Students may have had to purchase materials in jointly listed courses at other CMO's or at the Coop under a non-KSG course code.

This report is a record of what a student would have paid for course materials during the Fall 2005 semester if that student chose to purchase all course materials for a course.

This report is not a "price list" of what a student will pay for a particular course during the Fall 2006 semester,

but it may provide a student reasonable information with which to predict course costs.

NOTES CONCERNING SPECIFIC COURSES:

1 PAL115: Packet #6 was Roger Porter's book "Presidential Decision Making".

HARVARD COOP BOOKS

Information based on a report from the Coop dated May 2, 2006.

Only new text book prices are listed; used copies, when available, represent a 25% savings for the student.

CLASSROOM HANDOUTS

Classroom handouts are treated as "required" materials and are included in the "S. Req'd Total" column in addition to "L. Handouts".
