GENERAL INFORMATION ABOUT THIS REPORT:

This information only includes the cost for course materials available through the CMO and/or materials available through the Harvard Coop.

Students may have had to purchase materials in jointly listed courses at other CMO's or at the Coop under a non-KSG course code.

This report is a record of what a student would have paid for course materials during the Fall 2006 semester if that student chose to purchase all course materials for a course.

This report is not a "price list" of what a student will pay for a particular course during the Fall 2007 semester, but it may provide a student reasonable information with which to predict course costs.

NOTES CONCERNING SPECIFIC COURSES:

- 1 PAL115, #5: Book "Presidential Decision Making" by Roger Porter; distributed at cost of printing.

HARVARD COOP BOOKS

Information based on a report from the Coop generated after the end of the semester.

Only new text book prices are listed; used copies, when available, represent a 25% savings for the student.

CLASSROOM HANDOUTS

Classroom handouts are treated as "required" materials and are included in the "S. Req'd Total" column in addition to "L. Handouts".

LEGEND TO COLUMN HEADINGS

- A. Fall 2006 Course: The column lists all of the courses that offered reading materials through the CMO and/or the Harvard Coop during the Fall 2006 semester.
- B. Section Letter: Not all sections with the same course code share the same materials (e.g., API601, sections A, B, C, D)
- C. Instructor Name: If the same instructor is teaching the same course for Fall 2007, it is possible that the cost of the materials will remain approximately the same.
Only one instructor's name is listed even if there were more than one instructor.

COURSE MATERIALS OFFICE

- D. Required Packets Not Online: The total cost of required reading packets (i.e., materials the instructor expects you to have read for the course) containing materials not online. Please note that it is the faculty assistant or other individual assigned by the instructor to put the materials together that makes this determination.
- E. #: The number of required course packets.
- F. Required Packets Online: The total cost of required packets containing materials that are also available through the Internet or HOLLIS.
