Dear Kennedy School of Government:

Please feel totally free to reproduce Dean Joseph S. Nye's interview with The Daily Yomiuri on his website -- and any other relevant website as well without limitations of any kind.

We are really honored and pleased to expect many people elsewhere in the world to view a Yomiuri interview via your website. It will definitely help buoy the world's awareness of the Yomiuri Shimbun/Daily Yomiuri.

Thank you very much indeed for your kind consideration and cooperation.

Sincerely,

Ikuo Anai
