*Every Wednesday for the first four events to kick-start the series,
then every other Wednesday*

Innovative Approaches in China's May 12 Mega Earthquake Policy Process: Two Cases

Date/Time: Monday, September 29, 6-7:30 p.m.

Location: Littauer 150, Harvard Kennedy School

Speakers:

- Xiulan Zhang, Dean of School of Social Development and Public Policy, Beijing Normal University. Recently, she started a major program related to the Sichuan earthquake, and her school had one of the first teams on the ground after the earthquake. Her task force was charged with providing immediate assistance, and more broadly with making critical policy recommendations to the government on humanitarian aid, short and long term relocation, and community and economic redevelopment. She is also the Chair of the Joint Earthquake Policy Expert Committee of the National Disaster Reduction Commission and the Ministry of Sciences and Technology.
- Qiang Zhang, Research Professor of School of Social Development and Public Policy, Beijing Normal University, Director of the Center of Emergency Management and Social Innovations and the Director of the Policy Research Center for Disaster Reduction and Emergency Management Policy in Ministries of Civil Affairs and Education
- Huan Zhang, Associate Professor of School of Social Development and Public Policy at Beijing Normal University, Editor of *China Emergency Management*
