To Whom It May Concern:

I am pleased to show my support and enthusiasm for the *Korea Policy Review*. This journal is a truly collaborative project that will foster a much-needed dialogue about the relationship between Korea and the United States. It is an important addition to the Kennedy School of Government's publications.

I extend my heartiest congratulations and my sincerest thanks to the students and faculty who have contributed to this worthwhile endeavor.

Sincerely,

A handwritten signature in black ink, appearing to be 'LH Summers', written over the printed name.
