

## MPP Core Course Requirements 2009-2010

### For MPP1's:

Required core courses for the first year, unless they exempt from any, are as follows:

**Fall**

API-101

API-201

DPI-201

MLD-101

**Spring**

API-102

API-202

DPI-101

Spring Exercise (Module period 4)

For most MPP1's, without any exemptions, they will therefore be taking 4 core courses in the fall, and have one elective credit. In the Spring they have 3.5 core courses (including spring exercise) and therefore 1.5 elective credits.

Sometime during their 2 years here, these students will need to take a minimum of one module to satisfy the Financial Management distribution requirement. The approved list of courses for this distributional requirement is maintained on the MPP website, but currently stands as follows:

**FINANCIAL MANAGEMENT:**

MLD-401m(A or B) Financial Management in Public and Nonprofit Organizations

[MLD-408m] Money Management and Policy Implications in Developing Countries
